जैनाचार्य सुरिश्वर महाराज की जयंती पर 'स्टैच्यू ऑफ पीस' का अनावरण

विश्व को शांति-अहिंसा का संदेश देता है भारत : मोदी

जयपुर | एजेंसी

प्रधानमंत्री नरेंद्र मोदी ने सोमवार को जैनाचार्य विजय वल्लभ सुरिश्वर जी महाराज की 151वीं जयंती पर 'स्टैच्यू ऑफ पीस' का अनावरण किया। अष्टधातु से बनी 151 इंच ऊंची यह प्रतिमा राजस्थान के पाली जिले के जेतपुरा स्थित विजय वल्लभ साधना केंद्र में स्थापित की गई है।

वीडियो कॉन्फ्रेंसिंग से उद्घाटन करते हुए मोदी ने कहा, 'स्टैच्यू ऑफ पीस' विश्व शांति, अहिंसा और सेवा का प्रेरणा स्रोत बनेगी। भारत ने हमेशा विश्व को मानवता की शांति, अहिंसा व बंधुत्व का मार्ग दिखाया है।

प्रधानमंत्री ने कहा कि नया साल आध्यात्मिक आभा का वर्ष है और प्रेरणा देने वाला है। उन्होंने कहा कि गुजरात की धरती दो वल्लभों की जननी है। राजनीतिक क्षेत्र में सरदार वल्लभ भाई पटेल और आध्यात्मिक क्षेत्र में आचार्य विजय वल्लभ जी महाराज। मोदी ने कहा कि यह उनका सौभाग्य है कि आज जैनाचार्य विजय वल्लभ की स्टैच्यू ऑफ पीस के अनावरण का सौभाग्य भी उन्हें मिला। मोदी ने कहा, भारत का इतिहास आप देखें तो आप महसूस करेंगे जब भी भारत को आंतरिक प्रकाश की जरूरत हुई है, संत परंपरा से कोई न कोई सूर्य उदय हुआ है। कोई न कोई बड़ा संत हर कालखंड में हमारे देश में रहा है, जिसने उस कालखंड को देखते हुए समाज को दिशा दी है।

नई दिल्ली में सोमवार को जैनाचार्य विजय वल्लभ सुरिश्वर जी महाराज की 151वीं जयंती पर राजस्थान के पाली स्थित 'स्टैच्यू ऑफ पीस' का वीडियो कॉन्फ्रेंसिंग के जरिए प्रधानमंत्री नरेंद्र मोदी ने अनावरण किया। • हिन्दुस्तान

अमिताभ ने सौमित्र को महान कलाकार बताया

मुंबई। अमिताभ बच्चन और आमिर खान ने सोमवार को प्रख्यात बांग्ला अभिनेता सौमित्र चटर्जी को श्रद्धांजलि अर्पित की। साथ ही उन्हें भारतीय सिनेमा के महान कलाकारों में से एक बताया। उनका रविवार को कोलकाता के एक अस्पताल में निधन हो गया था। 85 वर्षीय सौमित्र का कोरोना संक्रमण के कारण रविवार को निधन हो गया था। वे छह अक्तूबर से अस्पताल में भर्ती थे।

Jaishankar takes aim at China's BRI, Pak terror

HT Correspondent
letters@hindustantimes.com

NEW DELHI: In an indirect reference to China's Belt and Road Initiative (BRI), external affairs minister S Jaishankar said on Monday that India had shaped the debate on the need for transparency and respect for territorial integrity while implementing connectivity projects.

Jaishankar described Pakistan as a "particularly egregious example of state sponsored cross-border terrorism" and called for a comprehensive global convention to counter ...

... the opening up of co... future. "On connect... have actually shaped ... on the merits of tran... market viability, envi... friendliness and resp... ritorial integrity. An... parts of the world, ran... Africa to the Caribb... South Pacific, we hav... strengthen capabilit... training and spread... tices," Jaishankar sa... naming China.

"These traits in I... eign policy outlook ... stronger in the after... Covid pandemic," ...

...bilateral free trade ...ver China-led RCEP

...uan Phuc, left, at the signing ceremony for the Regional ...hip (RCEP) trade pact in Hanoi on Sunday. AFP

... not," Jaishankar said.

However, a joint statement by leaders of the 15 RCEP states said they "would highly value India's role in RCEP and reiterate that the RCEP remains open to India". India's accession will be welcome in view of "its strategic importance as a regional partner in creating deeper and expanded regional value chains", the statement added.

A diplomat from an Asean nation, who spoke on condition of anonymity, said: "It costs nothing to keep the door open for India and we believe, with time, it will be India's decision [whether to join RCEP]."

... there's every chance that ...er candidate, perhaps the ...eing developed by John... Johnson or AstraZeneca/ ...rd could join the ones ... Pfizer and Moderna ...e the end of the year (to 2020 with three successful ...nes would be something). There is every chance that ...will be approved for use ...vailable, at least to those ...e needs are the highest, ...e the end of the year. ...r commercial availability ...ollow next year, perhaps ...rly spring.

...er will make 50 million ... available this year (once ...oved) and Moderna, 20 ...n. Both are two-dose vac... which means 25 million ...0 million people, respec...

... country was scrambling to strike a deal with Moderna before the company announced the interim analysis of the preliminary results of its Phase 3 clinical trials. And the EU has deals with both Moderna and Pfizer/BioNTech.

Pharma analytics company Airfinity said in September that rich countries accounted for at least 50% of the 5.3 billion doses for which deals had been struck at the time. That number is likely to increase. Indeed, the announcements by Pfizer and Moderna are both likely to result in some frenzied deal-striking — and they should. A vaccine is the best investment a country can make at this point in time. The origins of the ongoing global economic crisis are not really economic, several ...

... reviewed, and the studies themselves (both clinical trials cover tens of thousands of subjects) will have to run their course. It is unlikely that these results will change.

I believe this is a tipping point in the fight against the virus — it reduces, by a significant amount, the uncertainty surrounding a vaccine, and offers a tentative timeline on when one could be available commercially.

Government and public health responses may have faltered in the face of Covid-19, but the pace and progress of the scientific response to the pandemic has been revolutionary and unprecedented. It is, like many other things that have come before, another triumph of human ingenuity.
